# A COMPLETE RANGE OF FLEXIBLE VERGE MARKER POSTS

## VERGE FLEXIMARKER POSTS

The Fleximarker post is one of the Northgate Highways range of road hazard delineators.

This flexible verge post can be used in all kinds of situations - motorway slip roads, dual carriageways, trunk roads, rural roads and car parks. They are also available in 1800mm on special order.

- Can blend in with existing posts
- Combines outstanding flexibility with remarkable visibility
- Reflectors available in red, white and amber
- Virtually maintenance free
- Outstanding spring-back mechanism
- Remarkable resistance to vandalism
- Sturdy, rust and rot proof
- 5mm thick for long life
- Fast, easy installation - no digging or backfilling required
- Remarkable visibility in bad weather or night time conditions
- Conforms to the Traffic Signs Manual, Chapter 4, 2004 (Warning Signs)
- Compatible with diagram 561 of the Traffic Signs Manual, Chapter 4, 2004
